In the Memory of Mr. Godwin Rajendranath. S

Appa! I should have learnt better language to write about you. Never thought this day would arise. Let me start with your writing. It was only self-mastery, yet it left mavens with envy. You did not even know that. You were only busy with your next piece of writing because you did it with purpose. You have left behind a trail of light that illumines the path for all who love you.

We are just striving to be as seamless as you. You were able to love others unconditionally, were never judgmental, and accepted everyone for who they are. You gave your time and ear to every single person who came your way, and you went in search of the ones who needed you. The innate ability you had to make everyone feel special is inimitable. You could make everyone understand and feel their own value and grow to their fullest potential. You worked your way to the success of many.

You dedicated your life to community work. What you did to make things happen in the lives of others is beyond praise. You were an unparalleled social worker. Your charismatic way of speaking left others speechless most of the time. I always thought that God must have been in a very good mood when he created you. How did he put everything great into one man?

God chose you to make the difference people aspire to make in their lives. You are the light and life of all that we do.

Mission Continues.....

Anusuya Godwin

Executive Summary: 2024 Annual Report - Winrose International Campus

In 2024, Winrose International Campus continued to impact lives, empowering underserved youth from Sri Lanka's hill country through education, skill development, and meaningful community programs. Celebrating our 17th year, this year marked significant growth in academic and vocational training programs, strategic partnerships, and sustainability initiatives aimed at advancing our mission of changing generations through education.

Key achievements included the successful enhancement of training programs in Hospitality Management, English, and ICT. These programs not only strengthened students' job-readiness but also expanded their life skills, especially through our updated curriculum that emphasizes real-world application and hands-on industry experience. We proudly saw our students excel in both local and international placements, with many securing employment through our partnerships with hotels and businesses across the region.

Community engagement remained a central focus, as we developed new initiatives to support youth in the tea plantation communities. By upgrading facilities with generous contributions from supporters and enhancing our digital resources, we provided students with a learning environment on par with industry standards. Additionally, the launch of the Winrose Food Outlet created new revenue streams, enabling greater financial independence and supporting our scholarship programs for dedicated students.

Our dedicated staff and inspiring alumni have continued to shape the campus's reputation as a center for growth and transformation. Through expanded partnerships, Winrose also gained new avenues for international job placements, further cementing our role as a bridge to global opportunities for local youth.

This year's achievements are a testament to the commitment and generosity of our supporters, partners, and community members. As we look to the future, Winrose is poised to broaden its reach, deepen its impact, and strengthen its foundation as a sustainable, community-driven educational institution. Together, we are building a brighter future—one student, one skill, one opportunity at a time.

With the guidance and support of Mr.Mukuntha Ramanathan, Mr.Manik Jayakumar and Mr.S.Skandakumar Winrose has kept its baby step towards the sustainability. Since we started our food outlet at Haputale Tamil National School and Winrose we were able to earn money to pay our monthly building rental and salary for the new staff who is in charge of the food outlet. We also thank Mr.R.Gnanasekaran for supporting us through Two Leaves Trust.

Our Vision

To transform underprivileged youths in the hill country of Sri Lanka into qualified and skilled professional workforce in specific industries who will serve as the backbone of the Sri Lankan economy and development as their ancestors were, by improving their English language skills, ICT, vocational, and academic qualifications, and to make them the Sri Lankan ambassadors of love, compassion, and humanity towards mankind and all the living and non-living elements.

That the universe bestowed upon us to save for future generations. Further to develop them personality through a holistic approach and to help them grow mentally, physically, and spiritually, emotionally, financially, and socially.

Our Mission

Provide the best culturally based English, Information and Communication Technology, soft skills, and vocational education for youth to see the world around them from a broader perspective and to choose the best in all aspects and phases of life and leave their footsteps for the next generation to follow.

Our Core Values

Be the Change

Be the man of value

Aim at excellence

1. Regular Academic Activities

("Pathways to Growth and Excellence")

At Winrose International Campus, our regular academic activities are carefully designed to foster holistic growth and skill development in every student. Through a balanced blend of classroom learning, practical training, and hands-on experience, we equip our students with essential knowledge and real-world skills in hospitality, English language, ICT, and vocational training. Each activity is tailored to empower students from underserved communities, nurturing their talents and preparing them for meaningful careers. Our curriculum emphasizes personal growth, professional standards, and community engagement, creating a supportive learning environment where students feel inspired and prepared to reach their fullest potential.

1.1 Orientation Program

(Planting Seeds of Promise: A Transformative Start for O/L and A/L Students at Winrose)

At Winrose International Campus, we begin our academic journey twice a year, right after the O/L and A/L examinations. We believe this moment is crucial—a pivotal time to reach young hearts, guide them, and set them on a path of purpose and fulfillment.

"Instilling Hope: Lighting the Path to a Brighter Future"

For us, the Orientation Program

isn't just an event; it's a milestone in the lives of our youth, where we plant that first, precious seed of growth and possibility in their hearts.

For the O/L and A/L students of 2023, this orientation is the start of a journey that is so much more than academics. It's a warm welcome into a community that sees them not only as students but as dreamers, changemakers, and leaders in the making. Many of these young people come from the tea plantation communities, carrying with them resilience, untapped potential, and big dreams. Winrose is here to nurture those dreams, offering an environment filled with encouragement, respect, and genuine support. Through inspiring activities, heartfelt discussions, and a shared vision for a brighter future, we help our students find confidence and a true sense of belonging. In our eyes, they are not just beginning their education; they are embarking on a journey of transformation. This is the place where dreams are rekindled, barriers are broken, and hope is reborn. Our orientation program is the first step toward empowering them to reach for the future they deserve.

"Guiding with Compassion: Director of Winrose Uplifts and Empowers Students Beyond O/L Challenges"

1.2 English Classes

(Empowering Communication)

At Winrose International Campus, English classes are more than just language lessons—they are pathways to new opportunities and personal growth. Designed for students from diverse backgrounds, our six-month program focuses on practical communication skills, pronunciation, grammar, and building confidence. Held from Monday to Friday, these classes provide an immersive English environment, offering interactive lessons, real-life practice scenarios, and supportive mentorship.

"Foundations in English: Starting from Scratch for Absolute Beginners"

"Accelerated English: Unlocking Potential for Quick Learners"

Through this approach, students not only learn English but also develop the ability to express themselves, connect with others, and broaden their horizons. Each session builds self-assurance, opening doors to academic success, career advancement, and global communication.

1.3 ICT Classes

("Empowering Digital Skills: ICT Training at Winrose")

At Winrose International Campus, our ICT classes provide students with essential digital skills, focusing on Office 365, Teams, and other applications commonly used in office settings. A unique highlight is our emphasis on touch typing, an often-overlooked yet crucial skill for productivity and efficiency. Though our computer lab is modest, we maximize its potential by rotating students and ensuring each has sufficient time to practice and grow. This year, with the generous support of Mr. Deva Thamodaram and his team, we were able to upgrade and refurbish our computers, further enhancing the learning experience and equipping students for success in a technology-driven world.

"Preparing for the Future: ICT Skills for Job Readiness"

"Building Digital Foundations: ICT Skills for Absolute Beginners"

1.4 Hospitality Management Classes

("Bridging Classroom and Industry: Comprehensive Hospitality Management Training at Winrose")

"Mastering Personal Grooming: A Visual Lesson with Expert Guidance"

At Winrose International Campus, our Hospitality Management program delivers a rich combination of classroom learning, practical exercises, and invaluable real-world experience. Students develop core skills in Front Office, Food and Beverage, Kitchen, and Housekeeping through both in-class instruction and hands-on training at partner hotels. The program blends three days of academic training with two days of immersive

"Sharpening Skills: Learn to Cut Like a Pro and Surprise Mom in the Kitchen!"

"Step-by-Step Mastery: Sharpening Cutting Skills on the Path to Becoming a Chef"

industry experience, where students are guided by our experienced hospitality lecturers and gain insights into real-world operations. Nearby hotels offer students the chance to practice their skills in authentic settings, enhancing their readiness for the hospitality industry.

"Mastering Dining Etiquette: Knife and Fork Skills in Practice"

"Learning Fine Dining Etiquette: Students Master Fork and Knife Skills with Hands-On Guidance"

Thanks to the support of Mr. Vasudevan Rasiah, founder and CEO of A'Lankaa Resorts and Spa, students also receive accommodation and intensive on-site training, providing an excellent foundation for their future careers. This comprehensive approach, led by seasoned instructors, prepares students to thrive in a variety of hospitality roles, bridging the gap between academic knowledge and professional expertise.

1.5 Special Conversational English Classes

("Empowering Voices: Mr. S. Skandakumar's Inspirational Journey with Winrose Youth in Haputale")

Mr. S. Skandakumar, a cherished figure at Winrose International Campus and former Australian High Commissioner to Sri Lanka, has become a pillar of support and inspiration since 2019. Choosing to spend his retirement years in Haputale, Mr. Skanda has poured his time and experience into uplifting the most underprivileged communities in Haputale and Bandarawela. His Conversational English classes go beyond language; they are a sanctuary of encouragement and self-expression. Through English conversations, motivational lessons, dramas, songs, speeches, and lively debates, students are empowered to overcome language barriers and discover their voices. Mr. Skanda's presence infuses each session with warmth and wisdom, instilling in every youth a newfound self-confidence that reverberates beyond the classroom, lighting pathways to a brighter future.

"Daily Gratitude: Mr. Skandakumar Embraces Heartfelt Reflections from Winrose Students"

1.6 Examinations & Assessments

("Winrose's Comprehensive Certification Journey: Bridging Theory and Practice with Flexible Exam Options")

At Winrose International Campus, examinations and assessments are meticulously conducted to evaluate students' skills in English writing and speaking, ICT proficiency, and hospitality management. For hospitality management students, the journey to certification is uniquely comprehensive; they undergo six months of classroom and hands-on training, followed by six months of industrial experience. This full-year structure ensures that each student's learning is deeply rooted in both theoretical knowledge and practical application, adding immense value to their certification. Recognizing the challenges of work commitments, Winrose offers flexible exam scheduling and the option to sit for exams online, supported by a reliable monitoring system. This approach not only honors students' dedication but also aligns with Winrose's commitment to accessible and meaningful education.

1.7 Annual Graduation Ceremony – 2024

(Harvesting Hope: Cultivating Tomorrow's Leaders)

The annual graduation ceremony, held on August 19, 2024, at the Urban Council Hall in Haputale, was a radiant celebration of dreams realized and futures being forged. Under the theme *"Harvesting Hope and Cultivating Tomorrow's Leaders,"* 135 students proudly received certificates in English across absolute beginner, beginner, and elementary levels, while 25 hospitality management graduates, having completed their rigorous industrial training, were awarded their certificates.

"Crafting Success: Winrose Students Prepare Banners for Graduation Ceremony"

The hall was filled with 450 family members, friends, guests, and well-wishers, each sharing in the joy and pride of these young achievers. Our hospitality team crafted delicious meals and refreshments for all, adding warmth to an already unforgettable day. It was more than a ceremony; it was a testament to the resilience and promise of each student, a day that captured their journey toward brighter tomorrows and the collective hope that this harvest of talent will lead to transformative futures.

"Empowered and Ready: Celebrating Job-Ready Youth with Pride"

2. Co-Curricular Activities

("Building Resilience Beyond Academics: Holistic Development at Winrose International Campus")

At Winrose International Campus, we are dedicated to fostering holistic development in our students, recognizing that true growth extends beyond academics. Our co-curricular activities encompass regular physical activities, mental exercises, and engaging experiences that shape well-rounded individuals. From fitness sessions that build resilience to mental challenges that hone critical thinking, each activity is designed to strengthen both body and mind. Many students, even after achieving their academic and career milestones, continue to practice these lifelong habits, a testament to the values instilled by Winrose. This commitment to all-around development empowers our students to approach life with confidence, balance, and a resilient spirit.

2.1 Sports Meet – Godwin Memorial Sports Club

("Honoring Legacy Through Sport: Winrose's Annual Event at Godwin's Memorial Sports Club")

The annual sports event held by Winrose International Campus through Godwin's Memorial Sports Club celebrates the legacy of the late Mr. Godwin R. Samuel, a devoted advocate for the tea plantation community. Established in 2022, the club fosters equal opportunities, encouraging every student to participate actively. With indoor games like chess and carom and outdoor sports such as cricket, netball, and volleyball, the event emphasizes teamwork and camaraderie. The focus on team-based activities cultivates essential skills in event management and collaboration. Students who excel receive certificates at the annual award ceremony, recognizing their achievements and dedication.

"Empowered in Action: Celebrating the Strength and Unity of Women in Netball"

"Energizing Mornings: Students and Staff Kickstart the Day with Zumba Dance at Winrose"

2.2 Fuel for Mental Health

("Empowering Minds and Hearts: Daily Practices at Winrose to Foster Boundless Growth and Unity")

At Winrose International Campus, each day begins with transformative practices that foster out-of-the-box thinking and a deep sense of inner strength among our students. Embracing unity beyond language, religion, social hierarchy, and caste, Winrose has created a unique morning routine that inspires every student to connect with themselves and the world around them. The day starts with vibrant Zumba dances, super brain yoga, and calming breathing exercises that energize their bodies and minds.

"Guided by the Director: Students Embrace Mental Healing through Ho'oponopono"

Students also practice the Emotional Freedom Technique (EFT) tapping, which helps them overcome the fear of speaking English by reinforcing confidence with gentle, empowering phrases.

In a touching ceremony of unity and peace, students recite the Hawaiian prayer "Ho'oponopono," a reflection of healing and positivity through the words "I am sorry, Please forgive me, Thank you, and I love you." This practice sets a powerful, loving tone for the day. They then participate in a 28-day gratitude practice inspired by *The Magic* by Rhonda Byrne, which helps each student focus on gratitude, lifting them to their highest vibrational frequency and opening their hearts to the power of possibilities. Winrose believes that "feeling is the secret," and these daily routines instill a deep, lasting impact that past students carry with them long after leaving. This holistic approach has helped many achieve remarkable success, guided by gratitude, resilience, and the belief in a superpower beyond us all.

"Empowering Minds: Students Practicing the Emotional Freedom Technique at Winrose"

"Guided Gratitude: A Daily Practice of Positivity and Growth with Winrose Students"

3. Empowering Through Human Capital Development

("Empowerment Through Guidance: Workshops, Awareness Programs, and Staff Training")

At Winrose, our "Empowering Through Human Capital Development" initiative stands as a beacon of hope and transformation for Sri Lanka's tea plantation youth. We believe that nurturing human potential is the only path toward sustainable development, especially for communities often overlooked. Beyond traditional classes, we dedicate ourselves to mentoring students and staff, imparting essential soft skills that help shape them into responsible citizens, guiding them toward sound decision-making, and inspiring them to envision brighter futures. Weekly and monthly workshops at Winrose, coupled with our mentorship programs for O-Level and A-Level students, create a nurturing environment of support. We extend our mission beyond students to include their parents, recognizing that their role is pivotal yet often neglected. By offering parental guidance, we emphasize that education and emotional support are crucial to a child's growth. Our holistic approach includes staff training, workshops for school students, and community awareness programs, weaving a network of support that uplifts the entire community. Together, we strive to ignite ambition, resilience, and lasting change for the next generation.

4. Events & Special Days

("Moments of Joy and Unity: Celebrating Events at Winrose")

At Winrose, every event is more than just a celebration; it's a journey of learning, respect, and unity. Embracing cultural, religious, and social diversity, we honor each occasion with deep respect, creating an environment where students and staff can experience the richness of different traditions.

"Celebrating 17 Years of Impact: Winrose International Campus Marks a Milestone Anniversary"

"Celebrating 17 Years of Winrose: A Slice of Inspiration and Growth"

Our dedicated event management team ensures that each special day becomes a platform for learning, where students not only plan and organize but also engage in cultural exchange, teamwork, and English communication through announcements and interactive activities. Every celebration is crafted to teach valuable skills, from food preparation to waste management, making each event a vibrant classroom. Winrose thrives on these moments,

pulsing with life, energy, and unity, a place where everyone lives in celebration and grows together.

5. Community Interaction

("Winrose Team: Strengthening Community Bonds Through Dedicated Social Responsibility")

The Winrose Team, known for its commitment to social responsibility, proudly participated in and extended support to the recent community event, reinforcing its role as a dedicated and impactful organization. With a well-earned reputation for uplifting the community, Winrose has become a trusted partner in fostering growth and inclusivity. By actively engaging in local initiatives, Winrose not only strengthens its bonds with the community but also demonstrates its unwavering commitment to making a positive difference. The team's involvement serves as a testament to their dedication to creating lasting change and contributing meaningfully to the lives of those around them.

6. Facility Maintenance

("Strength in Unity: The Heart and Dedication Behind Winrose's Lasting Impact")

The heartbeat of Winrose International Campus thrives on the strength and dedication of its incredible staff and students, who go beyond mere duty to create a lasting impact. Winrose's success, often admired by many, stems not only from visionary leadership but from the hands and hearts that nurture its foundation day by day. In a region frequently touched by natural disasters—from flooded classrooms to storm-torn roofs—Winrose staff show unwavering resilience, facing each challenge with courage and unity.

Resource limitations could easily hinder the efforts of a lesser team. But at Winrose, our people are our greatest asset. Each member, staff and student alike, brings their talents and humanity to create a safe, welcoming environment, even in the toughest times. When repairs arise, our staff don't hesitate;

they pick up tools, paintbrushes, and cleaning supplies, working tirelessly to ensure the campus remains pristine and functional. Plumbing issues, painting needs, and maintenance work are handled in-house, with outside assistance only called upon when absolutely necessary. It's not just about resourcefulness—it's about a commitment to the vision of Winrose, to keep this space thriving, no matter what comes our way.

Our dedicated team, particularly the young women of Winrose, embody a spirit of service that extends well beyond their primary roles of teaching and learning. They step into the fray

"Winrose Staff in Action: Revitalizing the Center with Dedication and Team Spirit"

"Winrose Students in Action: Nurturing Nature, Building a Greener Tomorrow"

"Resilience Amidst the Storm: Winrose Roofs Damaged by Heavy Winds"

during moments of crisis, giving their all to preserve a place that has become more than a campus—it's a second home. This willingness to embrace every task, from disaster recovery to daily upkeep, reflects the depth of their connection to Winrose. Their actions illustrate a message louder than words: that Winrose is a family, a haven where everyone contributes, and where every challenge is met with strength and compassion.

"Bringing Colors to Learning: A Student's Dedication in Painting the Hospitality Kitchen"

It's in these everyday acts of resilience and teamwork that the true essence of Winrose shines. Our team may not have every material resource at their disposal, but they have an abundance of something far more valuable: heart. And it is this heart, this unwavering dedication, that propels Winrose forward, sustaining its mission, and ensuring a brighter future for all those who call it home.

7. Students Achievements

("Winrose Alumni: Celebrating Success, Family, and the Spirit of Resilience")

The achievements of Winrose alumni stand as a beacon of pride and joy for our entire community. For these dedicated young men and women, Winrose has always been more than just an institution—it is a family, a home, and a foundation built on shared dreams and unwavering support. Each milestone they reach, whether it's success in higher studies, securing meaningful jobs, or receiving recognition at work, is celebrated not just by them but by all of us who have been part of their journey. Their success stories are woven with moments of perseverance and joy, and we, at Winrose, cherish every moment shared with them, watching them carry the Winrose spirit of resilience and dedication into the world.

8. Generous Contributions by the Well-Wishers

("Empowering Futures: The Heartfelt Contributions Fueling Progress at Winrose")

At Winrose, every donation is a treasured gift that brings hope and progress to our students and campus. This year, we were blessed with an outpouring of generosity, beginning with Mr. Deva Thamoderam, Mr. Lakshmanan Sasitharan, Mr. Panchacharam Selvarajan, and Mr. Shyam Senathiraja, who provided essential hospitality equipment to enhance our food outlet. Their heartfelt contributions also enabled us to refurbish older computers and even add a few more to our facility, giving students upgraded tools to learn and thrive. This support came at a time when it was needed most, showing us the true spirit of community.

Promo Lanka, led by Saad Mansoor organized by the thoughtful efforts of Mr. Jeevan Williams, has been another incredible supporter. Witnessing the hard work and determination at Winrose, he organized donations for hospitality unit that transformed our practical training sessions, making every lesson more impactful and hands-on for our aspiring hospitality professionals. Additionally, Mr. S. Skandakumar arranged for contributions from Mr. Saaj, bringing us new chairs and a whiteboard, essentials that are now invaluable in our classrooms.

In our mission to establish a library, we have gratefully received books from Ms. Rohini Lintawela, Mrs. Pathmanathan, and Room to Read. These donations are carefully tended to, as they are not just resources but the stepping stones for countless young minds.

At Winrose, we hold every gift close to our hearts, knowing each contribution fuels our purpose, inspiring students and enabling us to strive for excellence every day.

9. Visits and Interactions

("Welcoming Partnerships: Inspiring Visits to Winrose for Future Collaborations")

In 2024, Winrose International Campus fostered meaningful interactions with organizations dedicated to uplifting the tea plantation community. Collaborations with institutions like People's Bank have been instrumental in promoting financial literacy and encouraging a savings habit among youth, helping them cultivate responsible financial practices. Through our partnership with SIGHT Hong Kong, we are creating valuable student exchange programs and global mentorship opportunities, bridging local students with international peers and experiences. These strategic collaborations channel resources, knowledge, and support directly into the community, enhancing our mission to empower youth and drive positive, sustainable change.

Importance of Savings Habit by the Manager of People's Bank

10. Entrepreneurship – Winrose Food-Outlet

("Winrose Food Outlet: A Lifeline of Hope, Learning, and Sustainability")

The **Winrose Food Outlet** is more than a business—it's a lifeline for our campus and a testament to the dedication and dreams of our students and staff. Established as an extension of the Winrose Hospitality Management Unit, this humble initiative was born out of necessity: to bridge the funding gaps that help us keep the campus doors open. The funds raised through the food outlet go directly into paying rent, covering bills, and sustaining the programs that empower our students every day. This is the initial step in our broader vision for a sustainable, self-sufficient Winrose.

"Dedication in Action: Winrose Staff Preparing Fresh Meals for the Food Outlet"

Our small yet spirited team includes five Winrose students who, despite their busy academic schedules, step up to work at the outlet after classes. Alongside our dedicated staff, they devote extra hours, often starting early in the morning to prepare fresh, delicious foods that are sold at Haputale Tamil Central College. Each day, a staff member and two

"Rising Early with Purpose: New Trainees Craft Fresh Delights for the Winrose Food Outlet"

hospitality students run the outlet, ensuring a steady rotation that gives every student a chance to learn and grow. This hands-on experience teaches them not just food production but also the nuances of sales, marketing, costing, accounting, and business management—skills that are invaluable for their futures.

The work isn't easy. Early mornings and long days are the norm, but the commitment is unwavering. Our students and staff see the outlet as a mission, something greater than themselves. They

know that every meal sold brings us closer to our goals of sustainability, growth, and providing ongoing education for the next generation. This outlet is their contribution to Winrose, a way of giving back to the place that's given them so much. Though still in its initial stages, our sights are set on a larger vision. We dream of expanding this food outlet into a broader business model, one that will serve even more customers and open new doors for the Winrose community. With a permanent shelter, this dream could become a reality, allowing us to scale up and impact more lives. Every cent earned through this endeavor goes back to Winrose, feeding into the cycle of education, empowerment, and upliftment for our students and community. The Winrose Food Outlet is more than just a source of income; it's a beacon of hope, resilience, and a living lesson in the power of teamwork, sacrifice, and the pursuit of a shared dream.

11. Our Sincere Gratitude

("A Heartfelt Tribute to Our Generous Donors: Fueling Dreams and Transforming Futures at Winrose")

Dear Donors,

With heartfelt gratitude, we extend our deepest thanks to each of you. Your generosity is more than a contribution—it's a gift of hope, opportunity, and transformation for the students and community of Winrose. Because of your support, we are able to open doors that once seemed out of reach for the youth in our care. You've given them the resources to dream boldly, learn confidently, and step forward with purpose into brighter futures.

Your belief in our mission lights the way for us, reminding us daily of the kindness and faith that connects us all. Every skill learned, every achievement celebrated, and every dream pursued at Winrose carries a piece of your impact. We are humbled and inspired by your unwavering commitment to uplift lives through education, empowerment, and community spirit.

Thank you for standing with us. Together, we are creating lasting change, one student, one life, one generation at a time.

With endless gratitude,

The Winrose Family
